

Jeeter

HEMP CRAFTED PRE-ROLL

An artisanal blend of premium hemp expertly trimmed and infused with optimized delta live resin. Live resin is made from high-quality Oregon-grown hemp flower, fresh frozen as it's harvested out of the field. The fresh-frozen hemp flower is then extracted making a phytochemical terpene-rich extract with an immense therapeutic potential.

BABY JEETER - THCA PREROLLS 6 X 0.5G PRE-ROLLS / JAR
